

Our Hotel facilities

Our Yale room can accommodate 4 person & is our largest room.

Room rates start from £70 per night including a continental breakfast the following morning. Cook breakfast is available from 9am and is chargeable. We do not insist on 11am check outs, we feel that there is nothing worse after a heavy night! So we politely request that you vacate your room by 1pm!

The cosy Davin room is north facing away from the road & is red hot!

All of our rooms have full en suite facilities, with hair dryers.

Rooms can be held for party bookings. We require 48 prior notice to all cancellations, after this time full payment will be expected.
